How you can get involved

Volunteer!

The Monterey County Rape Crisis Center offers a 47+ hour state certified training to become a Sexual Assault Counselor. During the training you will learn about crisis intervention and advocacy, community resources, the reporting process, collaboration with other agencies on behalf of survivors, and best practices when working with survivors of sexual assault, human trafficking, and child abuse; and their significant others. The training is offered twice a year in the Spring and Fall.

What do volunteers do?

- Answer our 24-hour crisis line
- Respond to the hospital or police departments to assist survivors during sexual assault forensic exams and the reporting process
- Assist at MCRCC's community events and fundraisers

How to apply: Apply through our website at mtryrapecrisis.org or call our office for additional information. Once your application is reviewed you will be contacted for an interview and notified of details regarding the upcoming trainings.

Become a Board member!

We are looking for dynamic individuals to serve on the Board of Directors. Interested applicants must share the agency philosophy of victim empowerment, be willing to serve on one standing committee and attend board meetings the third Monday of each month from 5:30 p.m. to 7:00 p.m.

The Monterey County Rape Crisis Center is especially interested in recruiting individuals who want to get involved in fundraising activities and to lend their energy, enthusiasm, and expertise to making MCRCC's mission successful. We are looking for diversity in ethnicity, gender, income level, age, occupations, and professions.
